CONDITIONS IN PAVILLION NO. 3 OF THE CORDOBA PRISON

- ✓ --Permanent confinement in a cell for 23 hours--total inactivity.
- ✓ --One hour of recreation consisting of jogging around the patio with your cellmate, without being able to talk with other prisoners, nor even look at them, since you are supposed to look at the floor. Previous to this, you must strip on the patio for a search.
- Permanent sanctions for minimal things. For example: talking through the windows, exercising in the cell, having fruit skins on the floor, etc.
- ✓ --No correspondence permitted.
- Cannot receive spiritual guidance.
- Cannot receive packages with food, and the canteen is exclusively for articles of personal hygiene since food is scarce.
- ✓ --No reading except for the New Testament.
- ✓ --Constant physical punishment and verbal threats, so strong that some prisoners have required hospitalization.
- ✓ --The windows have been closed, preventing communication and also creating unsanitary conditions since the toilets are in the cells.
- ✓ --Visits have been suspended.
- ✓ --Insufficient medical assistance.
- Food is good but scarce.
- Complete insensitivity on the part of the authorities to our repeated petitions.
